The detailed activities under total Internship Programme (Semester II+III+IV having 18 credits) to be completed in three semesters (16 weeks) of weightage 500 marks as follow:

It is expected that student teachers are exposed to a variety of approaches for teaching, observation of children in multiple socio-cultural environment and involve themselves in reflective thinking. It is also expected that student teachers engage themselves in Continue Comprehensive Evaluation (CCE) through planning of formative and summative evaluation. The activities should be planned in such a way so as to facilitate mentoring, supervising and assessing the student teachers mutually by the teacher educators and school teachers.

Objectives of the Internship:

To enable the student teacher:-

- To develop and conduct lesson plans for any two school subjects under the guidance of the experienced school teachers/teacher educators.
- To develop a plan of evaluation for the unit taught.
- To know how the various types of records are prepared and maintained in the school.
- To organize co-curricular and extracurricular activities in the school.
- To observe, give feedback and reflect on the lessons given by peers.
- To get a feel of total experience of teaching in the school.

During the internship of 16 weeks in three semesters the student teacher will complete the following activities:

(a) Lessons (Minimum 20 Lessons of each pedagogy subject) 160 Marks (40 lessons x 4 marks)

All though during Internship the student teacher has to work as a full time teacher S/he shall have to complete at least 20 lessons of each pedagogical subject. S/he shall select units from the school subject in consultation with the school teacher and faculty. S/He will prepare the lesson plan for those units. S/He will teach units under the guidance and observation of the school teacher and teacher educator. The same shall be repeated for other school subject.

These lessons shall be engaged preferably at upper primary, secondary and higher secondary level.

(b) Unit Plan and Unit Test – Marks 50 (25+25)

The student teacher will prepare a Unit Plan providing for formative (for each lesson plan) and summative evaluation (unit test after completion of the unit) for both the above selected units. She/He will develop and conduct a unit test. She/He will also prepare a blue

print and model answer and marking scheme for the developed unit test. The same shall be repeated for other subject education.

(c) Report on Records maintained by the School: 40 Marks (4 x10 marks)

This activity is to enable the student teacher to understand the administrative aspects of school life. It will help him/her to realize the need of maintaining the records and their importance in the smooth functioning of the school. The student teacher shall write a report on any 4 records prepared and maintained by the school.

(d) Organization of Co-curricular and Extracurricular Activities: 50 Marks

To enhance the organizational and managerial skills the student teacher will participate in the organization of the co-curricular and extracurricular activities arranged regularly during the internship period in the school. S/He has to maintain a detailed record of the same. It is expected that s/he shall reflect and write about these experiences. It will help her/him in understanding and addressing her/his Professional identity as a teacher.

(e) Observation of Peers: 40 Marks (20x2 Marks)

Peer learning is an important and integral part of learning process of an individual. It will assist in boosting the confidence of the student teachers. In this activity the student teacher shall observe 10 lessons of each pedagogy, reflect and give feedback to her/his peers on the lessons conducted. (20 lessons)

(f) Other School Activities/Programmes 60 Marks (20 x 3 Marks)

To get an experience of the school working the student teacher shall complete any **three** activities from those given below. S/He shall write a report and enlist the process outcomes of the same.
